

## **NEXT STEPS... how to continue with intention after Unite-A-Thon 2018**

**Thank you** for joining us for UAT! **Our intention** has been to unite together, with one purpose: to practice sacred connection in hopes of healing and transforming the world. We believe this happens in community; with self first, the Divine (in whatever form you understand), then with others (beings and non-beings).

**OUR MISSION** is to create a just world that honors the sacred connection of all. We believe this happens best through intentional sacred community. It's why we're passionate about educating and releasing that energy, through trained and credentialed interfaith practitioners and leaders. **If you'd like to partner with us in that mission, here are some simple next steps:**

**1) GIVE.** Our goal is to raise \$25,000 of awareness for this critical interfaith movement. Every dollar raised will help further The Chaplaincy Institute's mission to create a just world that honors the sacred connection of all. Giving for Unite-A-Thon ends June 30, 2018.

**2) DISCOVER** what we offer in transformational interfaith education via the link to our Seminary (visit [INTERFAITH STUDIES](#))

**3) ENGAGE** in more spiritual practices you can do anytime/anywhere with videos shared by other spiritual practitioners in our interfaith community. Here's one by a recent graduate, Rev Rivka Gevurtz of Portland ([VIDEO](#)), OR (If you're local to Portland and want to learn more about The Chaplaincy Institute or interfaith movements near you, contact Rev Noel Tendick at [revbluesky@gmail.com](mailto:revbluesky@gmail.com)).

**4) GRATITUDE** is a simple and powerful practice. So in gratitude for your donations, time, and love for The Chaplaincy Institute, here's another FREE gift for you. Your downloadable custom artwork by Marcus Hill can be found here ([Download "Sacred Connection"](#))
